# Chancellor Paul R. Givens

Pembroke State University welcomed its new chancellor, Dr. Paul R. Givens, when he began his chancellorship July 1, 1979.

In an interview with the **Pine Needle** in September, Chancellor Givens "revealed his 'key to success' for PSU in the next decade."

"We need to work on achieving academic excellence and marketing PSU in such an extent that people from this total area feel an identification with the university," said Givens.

"I feel that this is a place where people can come and grow as individuals, a place where they can develop their skills and elevate their tastes," Givens further expressed.

Dr. Givens received his B.A. and M.A. degrees from George Peabody College, and his Ph. D. in Psychology from Vanderbilt University.

Dr. Givens has held numerous full-time positions. Prior to coming to PSU, he served as vice-president for Academic Affairs at Millikin University in Decatur, Illinois.

He has co-authored a textbook in human behavior as well as other publication in fields of higher education, creativity, and values.

Dr. Givens is a native of Wellsburg, W. Va. He is married to the former Lee Janssen of Glidden, Iowa. They are the parents of four children.

Dr. David K. Eliades

Dr. David K. Eliades is a native and resides in Lumberton, North Carolina with his wife Celene and daughter Darby. As a double major in History and Journalism, Dr. Eliades attended the University of North Carolina at Chapel Hill where he received his B.A. degree. His M.A. degree was earned at East Carolina University and he is currently working on his Doctorate degree from the University of South Carolina.

Dr. Eliades co-authored *THE ONLY LAND I KNOW, THE HISTORY OF THE LUMBEE INDIANS*, published in 1979. Dr. Eliades enjoys hiking, backpacking and sports.

Mrs. Wyona Duffer

A lifelong resident of North Carolina, Mrs. Wyona Duffer moved to Pembroke from Fayetteville. Mrs. Duffer is the Dormitory Supervisor for Belk Hall. She is the mother of four children, three sons and a daughter.

Mrs. Duffer enjoys sewing and is a fan of basketball and football, as well as other sports.

"I love Pembroke State very much, but the only thing I regret is watching the students graduate," said Mrs. Duffer. She intends to stay at Pembroke State for many years to come.

A sepia-toned photograph of a body of water, possibly a lake or a wide river. In the foreground, there are several tall, thin reeds or grasses growing from a rocky shore. The water is calm, reflecting the light. In the distance, a dark, horizontal line suggests a shoreline or a forest. The overall mood is peaceful and contemplative.

## N.C. Chapter of Alpha Chi

Alpha Chi is a co-educational honor society whose purpose is to promote academic excellence and exemplary character among college and university students and to honor those achieving such distinction. Juniors and seniors in all academic disciplines are eligible for election. Normally, the top 5% of the junior class and the top 10% of the senior class are chosen. Initiations are normally held during the spring semester. Local officers, such as president, vice president, secretary-treasurer, and assistant sponsors are elected each year. The sponsor is appointed by the Chancellor. Delegates are sent to the regional and national conventions in alternate years. Scholarly papers from Alpha Chi members may be read at the conferences and perhaps be published in the scholarly journal.

# Kappa Delta

The local chapter of Theta Kappa Sorarity was founded in 1968 at Pembroke State University. Kappa Delta, a sisterhood of young women dedicated to aid the college and the community in civic and cultural affairs, is a service organization as well as a social one. Kappa Delta sponsors eight beds in the Crippled Children's Hospital in Richmond, Va. Kappa Delta also supports the Lion's Club's White Cain Drive. philanthropic work and nationally funded play-rooms and study grants at hospitals developing child-oriented programs. Sigma Sigma Sigma Sorority built, furnished, and continues to support the Robbie Page Memorial Play-room at North Carolina Memorial Hospital at Chapel Hill.

Omicron Delta Chapter of Tau Kappa Epsilon consists of young men for the eastern United States who have come to Pembroke State University for a quality education. Since our arrival at P.S.U., we have grown in character as young, responsible men through our fraternal experiences in Tau Kappa Epsilon. We have learned in this common band of brotherhood, charity, esteem, and love, which is our basis for the fraternity. All of the brothers

contribute to P.S.U. in their own special way, whether it be athletics, academics, or student government. We try to represent Pembroke State and Tau Kappa Epsilon in the best possible way as young responsible adults. Tau Kappa Epsilon is the largest international fraternity in the world and we believe here at P.S.U., we have one of its best chapters.

## Alpha Omega Upsilon

Thomson, Jan Lacklear. Not pictured: Thom Ujfalusy, Tammy Russy, Jahn Phillips, Mark Inscoc, Jo Lacklear, Virgil Britt, Martha Warren — Sweetheart.

As of 1980 we, Alpha Omega Upsilon, are firmly established at Pembroke State University. Larger than ever, we work together to serve both students on campus and the surrounding community. Being the only single chapter fraternity at PSU, we feel like a unique model of brotherhood and togetherness, and as we grow we intend to keep this feeling above all else.

# Pi Kappa Alpha

Back row: (L-R) James Simpson, Ray Davidson, James Blasingame, Howard Hughes, Michael Osbourn, David Carriger, Allen Terry, Olef Tharsen, Joel Cofer. Third row: William Mason, Bruce Lewis, Michael McPhail, Bart Kurzendoerfer, Adrian Autry, Randall Bustard, Matthew Trexler, Joe Haward.

A unique experience of sharing friendship, responsibilities, ideals — is one way to describe membership in Pi Kappa Alpha Fraternity. It is a four-year experience unmatched by any other living mode on today's college campuses. In a recent book studying the fraternity environment, a psychologist described the fra-

ternity experience as "the rites of passage" from adolescence to adulthood. Certainly, such a passage requires an experience combining the best of both worlds, from shared fun to shared responsibilities and commitments. That is fraternity, and that is Pi Kappa Alpha.

## Pi Kappa Phi

Pi Kappa Phi is a growing trend throughout the fraternity world. Pi Kappa Phi is a very personal experience and is also a very personal fraternity.

Front row: Berry Leggett, McIver, Steve Click, Bobbi Click. Third row: Paul Alford, Emonuel. Second row: Don Baker, Randy Locklear, Gwen Sealey, Johnnie Boll, Mike Rodriguez, Gary Britt.

The Sports Information Office at PSU is a busy department which covers every sport which participates in athletics at Pembroke State.

Together with a staff of student assistants, each sport this year had schedule cards on their sport, home game coverage, and a brochure. The keeping statistics, taking pictures, and setting up interviews all take time and the staff work hard to make PSU sports coverage the best anywhere.

Sports at Pembroke State are among the best in the conference and the nation, and we like to think the Sports Information staff is also among the best.

It is done! At long last, the anxiety, long hours and countless copy and pictures have been molded together into the final product of what is now the 1980 Indianhead. The staff and I have endeavored to present to you a yearbook to forever keep and reflect upon your years at Pembroke State University.

Special thanks are deserving to Mrs. Pat Johnson and our advisor, Mrs. Doris Johnson. And I would like to give my appreciation to Gary Spitler for his enormous contribution towards the Indianhead.
